Create an independent and environmentally friendly yachting experience
which combines the silent cruising of a sailboat
with the luxury of a motor yacht.

THE FUTURE OF YACHTING IS SOLAR

Embrace the sound of silence.
Preserve the purity of the ocean.
Experience unprecedented levels of tranquility and pleasure.

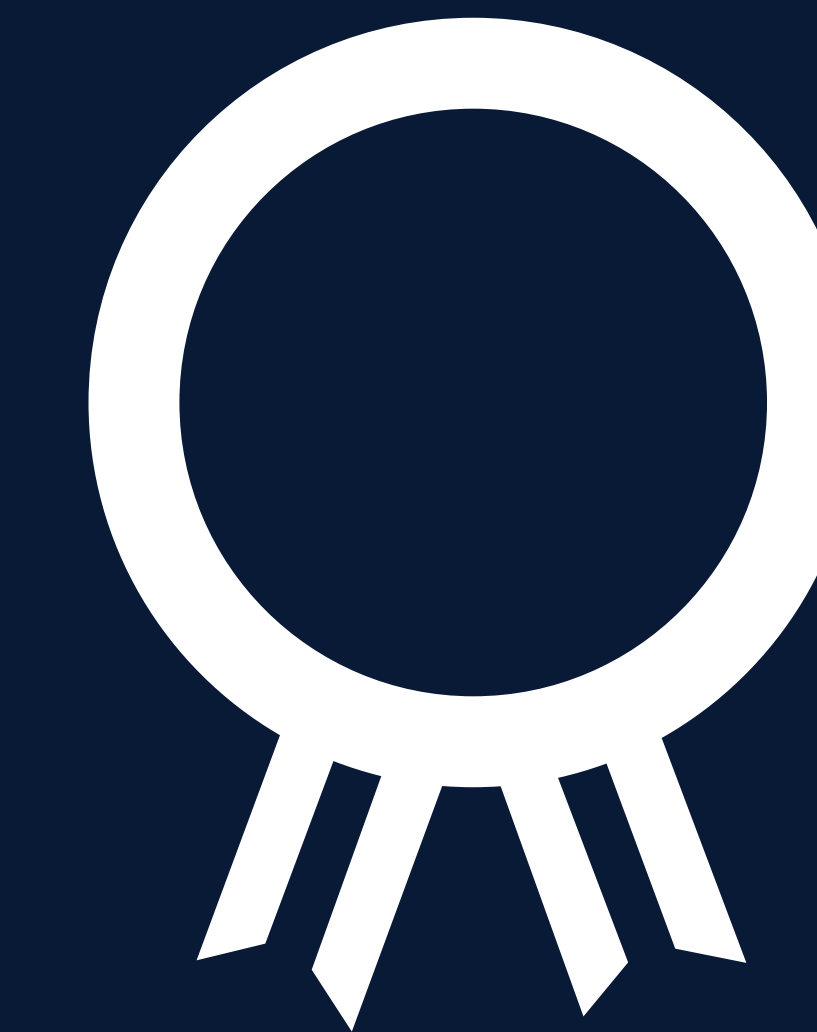

SOLAR POWER

for propulsion as well as all navigation, household & comfort appliances on board.

WORLD RECORD

2018 - Silent 64 first ever solar powered production yacht to cross the Atlantic ocean.

AWARD WINNING

technology 17x awards won honoring our drive for innovation since 2009.

Silent 120

An homage back to the days when the brave were constantly seeking unknown horizons. The same way it took an unbroken adventurous spirit to explore the seven seas beyond the limit of one's imagination, it took a lot of courage to envision and develop the solar electric drivetrain.

A fearless attitude is required either way. As such, the Silent 120 Explorer is more than a yacht - she is the boldest expression of solar powered yachting yet.
